Product information:

Linpol® Green AD

Natural soap for floor cleaning and protection

DESCRIPTION

Super-concentrated liquid soap of plant origin. Especially developed for mechanized floor (porous and non-porous) cleaning in any line of business (Retail, Logistics, Industry). Increases the shine of every kind of floor (tiling, concrete, natural stone, marble, granite, soft floors,...).

Food contact approved.

USE

Floor cleaning by filling the bucket or the scrubber-dryer by means of the automatic dosing system or DSK dosing system.

DOSAGE

- Automatic dosing (routine cleaning and restoration): variable according to water hardness (between 0.6% and 2.4%).

TECHNICAL CHARACTERISTICS

- Color: light yellow
- Fragrance: lemon
- Pure pH > 12,5
- pH in solution: 10,0 ± 0,5
- LINPOL® GREEN AD, a natural product, can present color variations going from light to dark yellow.
- The use of this product does not alter the flooring conductance - EN1081 (1998).
- The use of this product does not increase the slipperiness of floors (ASTM 2047)

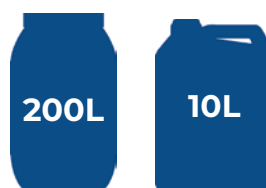

STORAGE

Keep the product in its original closed packaging. LINPOL® GREEN AD can be stored in the cold.

ECOLOGICAL INFORMATION

- Certified with a European Ecolabel
- 100% biodegradable product
- Packaging 100% recyclable
- Raw materials of renewable origin: 100%
