## Perfumed ecological cleaner for all surfaces

### DESCRIPTION

Concentrated, strongly scented, Eco-labelled and unclassified cleaner for the daily maintenance of every kind of surface and of any kind of hard or thermoplastic floor. Leaves a very fresh and pleasant flowery scent. Food contact approved.

### METHOD

Particularly appropriate for the elimination of stains on modern surfaces, desktops, laminated surfaces, washable and enamelled paint, telephones, screens, finger marks on doors, the points of contact (door handles, switches)

- Impregnate the surface to be cleaned
- Wipe with a well-dried microfibre with clear water
- Leave to dry

For switches, one is advised to apply the product on paper or microfibre for safety reasons.

### USE

1. Rinse the spray before each refill.
2. Fill the spray with water. Do not fill to the top. Leave enough volume for the concentrate product to mix.
3. Screw the Caps completely on the spray. Mix.
4. Remove the Caps and screw the spray head on.
5. After use, place the empty Caps into its cartridge for recycling.

### WASTE MANAGEMENT

The manufacturer guarantees the complete recycling of empty Caps and their packaging. Consult your dealer for the return free of charge to the manufacturer.

### TECHNICAL CHARACTERISTICS

- Perfume: flowery
- Color: blue
- Pure pH: 7 ± 0,5
- pH in solution of 0,6%: neutral

### STORAGE

Keep the product in its original closed packaging. Protect against freezing temperatures.
