Product information:

Vinyl Stripper

Floor finish stripper for vct floors

DESCRIPTION

Powerful stripper for the elimination of all old coats of floor finish as well as deep incrustations due to the wear of the protection coats.

USE

Output: 50 m² per litre of product.
Traditional stripping method. Steeping of the surface: 1 L solution per 5m². Scour with a low-speed (150-180 rpm) single-disc equipped with black or "blue cleaner" pads. Vacuum. No neutralization is necessary; a simple wiping with clear water and a well wrung discloth is sufficient.

DOSAGE

- 10%

TECHNICAL CHARACTERISTICS

- Color: blue
- Fragrance: lavender
- Pure pH: 12,5 ± 0,5
- pH in solution of 10%: 11,5 ± 0,5
- Do not use Vinyl Stripper on linoleum floors.

STORAGE

Store the product in its closed original packaging.

ECOLOGICAL INFORMATION

- Biodegradable product (CE 648/2004)
