CREWMAN™ ORBITAL

20" & 28" Orbital Strip Machines

Rugged cast iron deck, added weight system, and high speed motor deliver fast results for all of your surface prep needs.

CREWMAN™ ORBITAL

20" & 28" Orbital Strip Machines

Durable cast iron base and weights provide maximum head pressure

Fully adjustable locking handle is comfortable for any user

Optional dust containment kit available for all models

Crewman™ Orbital Strip Machines provide the greatest head pressure to deliver fast results. When equipped with a maroon surface prep pad, the Crewman Orbital Machine uses a 3,400 RPM motor to cut through multiple layers of the toughest floor finish in just one pass. This machine can also be equipped with sand screens to quickly abrade and level wood floors or gymnasiums without leaving unsightly swirl marks. All models are available with an optional dust containment system to help keep your work area clean. Choose the Crewman Orbital Machine for all of your surface prep needs.
