

UNICALL
Vinyl & Leather Liquid Cleaner Protector

DESCRIPTION

UNICALL is a vinyl, leather, plastic and rubber liquid protector cleaner with silicone. Its special formula creates a protective barrier to block UV rays that cause damage, fade and discolor surfaces. It penetrates to condition, slow the aging process and renew surface look to make it shine. Ideal for dashboard, vinyl seat, console, tire, trim, bumper, vinyl top and door molding.

ADVANTAGES

1. Keep vinyl, plastic, leather and rubber looking like new.
2. Protects against UV, discoloration, fading and aging process.
3. Its special formula, added with silicone, make the surfaces shine and renews surfaces appearance.
4. Contains no phosphorus.

TECHNICAL DATA

| | |
|--------------------------|------------------------|
| pH (as is) | 6.5 – 7.0 |
| Density (20°C)..... | 1.00 g/cc |
| Colour..... | Milky White |
| Fragrance..... | None |
| Characteristic..... | None |
| Flash Point..... | Up to 95°C |
| Freezing Stability | Keep out from freezing |

DIRECTIONS

SHAKE WELL BEFORE USING. Apply liberally to a clean cloth and spread evenly, or spray onto surface and wipe off excess. Apply as needed to maintain surface appearance and protection. Repeat application for maximum shine.

CAUTION: Use only as directed. Not for use on glass (may cause smearing), floors (may cause slipping), fabric, woven materials or paint. Do not use on or near clear plastic or plexiglass surfaces, vehicles controls (pedals, grips, steering wheels), bench or cycle seats, cycle tires, brake drums and other surfaces where slipperiness may be hazardous. Any product that remains on cement or asphalt should be washed with detergent to prevent stains and slippery conditions. KEEP OUT OF REACH OF CHILDREN. Contains no phosphorus. UNICALL protector cleaner will help protect materials in good condition but will not restore material which are already damaged.
